Checklist for Arriving (call anytime with questions)

- ◇ Lockbox is on the back of the front railing. Code is xxx for key to all doors. Hit code again to put key back in lockbox. There is only one key so keep an eye on it.

Household Info

- ◇ Hot water should be on. If it's not, access the hot water heater at the back of main level closet (it is labeled).
- ◇ Bed linens, towels, and hair dryer provided.
- ◇ Bring food and drinks. Use canned goods, spices, tea.
- ◇ Kitchen has cooktop, toaster oven (fits small pizzas), and icemaker. There is no oven, but there is a dishwasher. Pots and pans provided.
- ◇ Gas grill on deck (**turn off propane when finished**).
- ◇ DVD/CD/radio on premises; cell phones work, TV usually does not. No Internet connection.
- ◇ Chemex coffee maker and filter; coffee grinder provided. Bring coffee; tea is provided.
- ◇ Vacuum is in unit. Extra trash bags, paper towels, toilet paper under/next to sink.
- ◇ Birdseed located on back porch. (Warm weather hummingbird food recipe: one part sugar to four parts water. Slowly simmer on stove until sugar just dissolves and pour in feeder.)

Hot Tub (supplies to the left of slider)

- ◇ Please use acrylic glass provided for drinks while in hot tub.
- ◇ Ideal setting is 102 degrees in milder months.
- ◇ Optional: Check ph with test strips before using (it's usually ideal).
- ◇ Undo 4 cover clasps before opening cover. *After* each hot tub use, sprinkle **2 ounces** of *Activate* into hot tub while jets running. If hot tub gets heavy use, use a little extra *Activate*. It is on shelf to left of sliding door. Secure cover and clasps when done.
 - ◇ Always run jets on high 10 minutes when adding chemicals.
 - ◇ **No perfumes, dyes, or oils in hot tub please.**

Checklist for Departing

- ◇ Tidy up (vacuum, put dishes away, wipe counters, etc.). Trash and perishables go in outside trash bin (there is trash service).
- ◇ Secure birdseed in bins.
- ◇ Set aside dirty linens/used bathrobes for cleaning service.
- ◇ Tidy toilet and leave seat down.
- ◇ Double check trash/food removed; lights off; elec. equipment unplugged; thermostats set to off, etc.
- ◇ Wood stove completely cold (douse with water if necessary).
- ◇ Unplug AC unit/lights/toaster oven/hair dryer.
- ◇ Turn ceiling fan off.

— Lock doors and put key in lock box using code. Bye Tiny Logs! —

Directions (to 2825 Audubon Rd., Hedgesville, W.Va., 25427)

From DC/Baltimore:

- ◇ From DC, take 270-North to I-70 West
- ◇ From Baltimore take I-70 West
- ◇ At Hagerstown take I-81 South (to Roanoke)
- ◇ After crossing into West Virginia take Exit 16W (Rt. 9 West towards Hedgesville and Berkeley Springs)
- ◇ Follow Rt. 9 for approximately 10 miles (through town)
- ◇ Turn left onto Mountain Lake Road (small store is on right just before turn).
- ◇ Follow Mountain Lake Road roughly 1.8 miles to the "Sleepy Hollow" entrance on the right. (If you've reached "The Woods" you've gone a bit too far.)
- ◇ Follow the paved road (Audubon) past the lake and up the mountain. We are about 2.8 miles from lake. **Do not turn off paved road** until you are at the top of the mountain. At top of mountain, turn left and we are the green A-frame chalet at top of mountain—about 10 houses up on the left. There is a turn-around cul-de-sac just past the house, which is the entrance to Sleepy Creek preserve.
